

Christmas at The Virginia Cliffe Inn checklist and rules of participation for third party vendors

Our show is open to third party vendors. We feel this enhances the shopping experience for our customers. The Virginia Cliffe Inn is located on private property with six acres of spacious grounds with a four seasons pavilion, cottage and heated tent allowing us to provide space for vendor booths at the rear of the property. Each booth is a 10x10 reserved space in one of these areas on the grounds. 3rd party vendors work the entirety of the show and collect their own funds.

1. Complete the online application form and submit it, along with photos and descriptions of the items that you sell. The more information you give us the better, our vendors are chosen for uniqueness, high quality, and diversity of merchandise. We strive not to have duplicate vendors and we limit our applications based on several criteria so that we do not have too many equivalent items in each category. Most importantly we want to ensure that the show is successful and that your participation is a profitable experience.
2. You will be notified if you are accepted, and you will be given a vendor registration number. When you receive your registration number, submit your \$50 registration fee and vendor rental fee to The Virginia Cliffe Inn 2900 Mountain Rd, Glen Allen VA 23060. We take payment via check or via PayPal to JClifton@vacliffeinn.com
3. Third party vendor reservations are taken on a first come first served basis and are valid once all funds are received. Third party vendor booths will be housed at the rear of the property either in the Pavilion or the tent.
